

Writing Health Conference PGR Bursaries

The Writing Health Conference (3-5th June 2020) is delighted to offer a limited number of PGR bursaries for the conference itself, covering the price of registration and also of the conference dinner (these bursaries have a value of £100 each).

To apply: Please email your conference abstract accompanied by a short 250-word supporting statement to writingdocs18@gmail.com before 30 March 2020. The supporting statement may cover your reasons for attending the conference and the benefits of receiving a bursary. You may wish to let us know whether or not you are receiving financial support from your institution.

Eligibility: Candidates must be currently enrolled on a postgraduate research degree programme.

Bursary applications will be assessed primarily on the basis of the academic merit of the applicant's conference abstract, and the application itself. We may also take into account distance travelled. Please do not hesitate to email the conference team if you have any questions.

These bursaries have been kindly sponsored by *English: the Journal of the English Association*.
